

Boarding - ELC

Our Tender Loving Care (TLC) Boarding Program is our “basic” program that offers pet owners the opportunity to leave their pets in a safe, comfortable environment. To enhance your pet’s stay, we are pleased to offer the following “Extra Loving Care” (ELC) packages.

Day Camp – designed for pets with special needs

- ◆ Young puppies and kittens needing human socialization and help with “potty training” and prevention of destructive actions at home.
- ◆ Older pets needing a “little extra attention” and medication administration.
- ◆ Individual compartment/run in climate controlled environment.
- ◆ Day time meal or “snack” and fresh water at all times.
- ◆ Strict monitoring by Patient Care Attendants.
- ◆ Doctor on premises.

Day Care – designed to “baby sit” for the day

- ◆ Individual compartment/run in a climate controlled environment.
- ◆ Fresh water at all times.
- ◆ Strict monitoring by Patient Care Attendants.

Canine TLC

- ◆ Individualized compartments/runs.
- ◆ Climate controlled environment.
- ◆ Daily use of runs for “necessary functions”.
- ◆ Appropriate Science Diet® foods, fresh water offered at all times.
- ◆ Pet Cot/cushion for sleeping.
- ◆ Medication administered as needed.*
- ◆ Strict monitoring by Patient Care Attendants.
- ◆ Doctor on premises.

ELC package adds

- ◆ A “playtime” per day.
- ◆ A “walk around the block” three times a day.
- ◆ A bedtime snack.
- ◆ Complimentary bath including nails/glands (Minimum of 3 night stay).

Feline TLC

- ◆ Individualized compartments and litter boxes (cleaned daily or as needed).
- ◆ Climate controlled environment.
- ◆ Appropriate Science Diet® foods, fresh water offered at all times.
- ◆ Pet bed for napping or sleeping.
- ◆ Medications administered as needed.*
- ◆ Strict monitoring by Patient Care Attendants for health concerns and comfort.
- ◆ Doctor on premises.

ELC Package adds

- ◆ A “playtime” per day in kitty play room.
- ◆ Complimentary bath including nail/glands (Minimum 3 night stay).
- ◆ Bedtime snack.

* ELC packages and administered medications incur additional charges
